SAPUTO | SAVORY CHEESE CHEST

3248061 - 1 x 1.2 KG

Creating the Savory Chest was a labour of love, one where variety and distinction were the guiding principles. From our delicious blue-veined Meteorite, to the rustic appeal of our Perron Stout Beer Cheddar, the unforgettable creaminess of our celebrated multi-award winner, La Sauvagine, or the tangy goat's milk Caprano – each of our carefully selected cheese offers a unique combination of flavour, colour and texture and all have earned their rightful place on the table, in countless recipes, and anywhere the intrepid chef, devoted foodie, or cheese lover's imagination wants to take them.

SAPUTO | SPECIALITY ASSORTED CHEESE BOX

4958700 - 1 x 1.05 KG

This premium collection of award-winning cheeses takes all the guesswork out of creating an exciting, and varied cheese platter. It covers every possibility, from savoury washed-rind to velvety soft and semi-soft varieties, a rich creamy blue cheese, and our tangy ash-covered goat cheese, Le Cendrillon, which was crowned World Champion Cheese at the 2009 World Cheese Awards. It's an all-in-one specialty cheese box that will make serving cheese simply delicious.

SAPUTO | ASSORTED CHEESE PUB PARTY BOX

4961449 - 1 x 1.34 KG

Our Brewmaster's Cheese Collection offers an appetizing variety, from mild to the sharper and more distinctive. All are delicious and inspired with the beer lover in mind. Serve up convenient snack platters with four of our favourites: Kingsberg, Smoked Gouda, 3-year-old Caron Cheddar, or savoury Cantonnier. Whether a fan of pilsner and stout, dark ales, red ales, lagers, or draft, there isn't a beer lover that won't be seduced by our irresistible cheeses.
